Do calls to emergency services still work? (999)

Quickline Talk · https://quickline.co.uk/knowledge/do-calls-to-emergency-services-still-work-999/

Yes calls to emergency services work as normal.

When we set up your Quickline Talk+ service we ensure that your address is logged, so the emergency services can see your location when you call them.

Please remember that this service will not work in the event of a power cut, for more information on this please take a look at this quick guide.
