# What are Quickline’s DNS server addresses?

Technical Support · https://quickline.co.uk/knowledge/what-are-quicklines-dns-server-addresses/

If you need to set up a device with our DNS settings, use these addresses:

- **151.249.77.242**
- **151.249.77.243**
- **151.249.77.250**
- **151.249.77.251**

Refer to your device’s network settings instructions for guidance.
