Why have I received an email from Quickline about Refer a Friend?

Frequently Asked Questions · https://quickline.co.uk/knowledge/why-have-i-received-an-email-from-quickline-about-refer-a-friend/

We've enrolled all eligible customers into our Refer a Friend scheme and sent everyone a personal referral link. That email came directly from Quickline and is completely genuine.

It means you now have a link you can share with anyone who might be thinking about switching broadband. If they sign up and their service is active for 21 days, you both receive £100.

Think about who in your life has been grumbling about slow speeds or a sky-high bill lately. Chances are there's at least one person who'd genuinely thank you for the tip, and £100 each makes it an easy conversation to have.

When you're ready, use the link in your email to get started.

For full details on eligibility and how rewards are paid, visit our Refer a Friend guide.
